

27—22.40(161A) Soil and water resource conservation plan adoption, approval, filing, and distribution. The plan shall meet all of the requirements of Iowa Code chapter 161A and this chapter before final plan completion.

22.40(1) Adoption. The district commissioners by a motion at their regularly scheduled meeting shall approve their completed plan or amendment.

22.40(2) Approval. The district shall submit their completed plan or amendment to the state soil conservation committee for approval. If found to meet the content requirements of rule 22.30(161A), the state soil conservation committee shall approve the plan or amendment by motion at their regularly scheduled meeting. The approved plan will be signed by the administrator of the division.

22.40(3) Filing. The approved district plan or amendment shall be filed with the recorder in the county in which the district is located and shall be filed with the division as part of the state soil and water resource conservation plan.

22.40(4) Distribution. The commissioners shall provide notice of the filing and may provide a copy of the approved district plan to the county board of supervisors in the county where the district is located. The district may provide copies to all interested parties that have been a part of the planning process.
